Certificate of Factory Production Control 1213–CPD–3735

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

ISOSTUD GEO P

Drainage geocomposite,
geospacer core (raw material: PEHD) and a geotextile filter layer (raw material: PP)

used for the functions: S + F + D

produced by the manufacturer

TEMA Technologies and Materials S.r.L.

Via dell'Industria, 21
31029 Vittorio Veneto (TV)
Italy

in the factory

Vittorio Veneto

are submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the approved body has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards

DIN EN 13252:2005

were applied.

This certificate was first issued on 2005-10-28 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Würzburg, 28 October 2005

A handwritten signature in blue ink, appearing to read "H. Zanzinger", enclosed within a blue oval stamp.
