Waterproofing
 Thermal insulation
 Bituminous shingles
 Metal tiles
 Photovoltaics tiles
 Drainage and geosynthetics solutions
 Recycling

Our factory, founded in 1979 in Kaniza, Serbia, was one of the most important industries in Eastern Europe. Since 2005 it has joined the group "Tegola Canadese": important investment and the know-how of the Group have made this factory a leading edge industry to provide its customers quality products and reliable technologies. This factory produces membranes, asphalt carboard, liquid waterproofing and thermal insulation EPS for the Serbian market. The company is certified ISO 9001-2000 and ISO 14001.
